

USITT Student International Travel Award

Statement of Purpose: This award has been established to support USITT student members in achieving international travel for education and research in theatre related fields.

This Award will fund projects which:

- Seek new knowledge through international travel to exhibitions, productions, and collections. For years in which a PQ occurs, the award will focus on travel to the PQ expositions.
- Opportunities to design for international companies.
- Include a method of sharing your experiences with the membership.

Areas for Project Support Include: Research for productions or scholarly pursuits; attendance at theatre exhibitions, theatre festivals, theatre related events, seminars and workshops.

Applicant Eligibility: Students must be current USITT members, enrolled full time and in good standing in either an upper division or graduate program in theatre with demonstrated excellence or outstanding potential in research or design in any field related to the mission of USITT.

Timetable for 2007 Award: Applications due January 3, 2007, award determined by January 10, 2007. To be awarded in alternate years with the Member International Travel Award.

Reporting Requirements: Award winners will be asked for a report of their project within one year of receiving the award. The report will consist of a record of costs applied of the grant and the execution of the grant activities.

A second, more extensive report will be presented to the membership through an article for a USITT publication, a conference presentation, or other written and/or visual documentation of the project within one year of receiving the award. The specific nature of the report needs prior approval from the granting committee.

Application Must Include:

- Application Form
- Project Narrative (Describe the project in detail and include the following, 500 word maximum)
 - Activity proposed and project timetable
 - Results or effects you expect the project to produce
 - Proposed method of processing materials
 - Project location and facilities used (if applicable)
 - Proposed budget and other sources of funding
 - Method of documentation and report to the membership
- Curriculum Vitae
- For design applications, 10 images of recent work
- One letter of reference in support of the project from a current teacher verification of student's status and USITT membership
