## Mailing List Preferences

USITT makes a list of our members' postal and e-mail addresses available to organizational members and trades it with organizations for their mailing lists or other promotional considerations. To receive offers and announcements from these organizations, check the appropriate box(es) below.

- Please **include** my information on the **postal** list
- Please **include** my information on the **e-mail** list  
*A blank box indicates you **DO NOT** want your information included.*

## REGIONAL SECTIONS

USITT Regional Sections are independent organizations chartered by USITT. The Sections provide programming and networking opportunities within a specific geographic area, and have their own membership categories and dues structures. USITT will share your contact information with the Section in your area so you can receive information about its activities and membership options. To review a complete list of existing Regional Sections, visit [www.usitt.org/activities/Sections.html](http://www.usitt.org/activities/Sections.html).

## COMMISSIONS

USITT Commissions are groups of USITT members with shared interests. They conduct and encourage communication of and about shared interests of the membership by providing forums for professional growth through conference programming, by developing research projects, and by collecting and disseminating information.

**Please share my contact information with the following Commissions (select a maximum of two):**

- Architecture     Education     Lighting     Sound  
 Costume Design & Technology     Engineering     Management     Technical Production
